THE COVER FLOWER

C. Japonica 'Mike Witman'

This month's cover flower is a controlled cross of 'Elizabeth Boardman' and 'Tomorrow' that was made by Mrs. M. J. (Lillette) Witman of Macon, Georgia, who named it in honor of her husband. Both Mr. and Mrs. Witman have been active in camellia circles for many years and have been prominent in American Camellia Society affairs. They have been frequent visitors to California where they have many friends. 'Mike Witman' has been released by Wheeler's Central Georgia Nurseries of Macon, Georgia.
