

The February meeting will be devoted to

Flower Arrangements using **CAMELLIAS**

ETHEL CAMPBELL, graduate in landscape architecture, University of California, which profession she has practiced for some years, will show several camellia arrangements, explain the principles involved and answer questions on camellia flower arrangements and the use of camellias in landscaping.

AMATEUR FLOWER ARRANGEMENT CONTEST. Any member may compete. Use your own containers and accessories; use camellia blossoms. Place your flower arrangement on the tables provided; in front of it a card to be provided by the secretary, carrying a number only. Arrangements will be judged by number, and the winner will take home Camellia CHANTILLY — especially choice for flower arrangements.

THE DATE: Wednesday, February 14, 1945.

(Please note change in day and date for this meeting only.)

THE PLACE: Odd Fellows Temple, 175 North Los Robles Avenue,
Pasadena, California

THE TIME: 7:30 P. M.

INFORMAL FLOWER SHOW will precede the program and follow the usual procedure — but should outshine the usual in size and beauty. Have your blossoms, with name of variety and exhibitor, on the tables prior to 7:30. Coolidge Rare Plant Gardens have donated Camellia Alba Plena for the lucky exhibitor, and Colonel Firey for the members' door prize. They have also donated a five-gallon Ruby Glow for benefit of the Red Cross and a five-gallon Governor Mouton for benefit of the book fund. A thrilling, entertaining and instructive meeting is assured!
